

# BEACH HAVEN RESIDENTS... How much water are YOU using?

**AquaHawk**  
**ALERTING!**

*can tell you right now!  
Fast and easy sign up*

*Your water supplier, Beach Haven Borough, encourages you to use the new, AquaHawk Customer Portal so you are better equipped to reduce your water use.*

- Register at <https://beacnj.aquahawk.us/>
- All you need is your name, phone number, email address and your block and lot number.
- View consumption over a period of time – see your water consumption down to the hour.
- Recognize possible leaks more quickly.
- Take control of your water use. With AquaHawk. You don't have to wait for your quarterly bill to see how much water you use for everyday activities. You'll see how you're doing, not how you did.
- Set your own personal thresholds and receive text or email alerts.
