Things to do BEFORE an Emergency:

- Put together a go-bag: disaster supply kit, including a flashlight, batteries, cash, first aid supplies, medications, and copies of your critical information if you need to evacuate (don't forget your Pet's needs)
- Know where to go. If you are ordered to evacuate
- Know your evacuation route
- Know where shelters are located
- If you are in need of transportation or special help in order to evacuate register with LBI Health Dept. or online <https://www13.state.nj.us/specialneeds>
- Make a family emergency communication plan.

Things to do before you leave:

- Secure outside furniture etc. or bring indoors (anything that can become projectiles in high winds)
- Shut off water, gas and electric if told to do so
- Keep your car in good working condition, and keep the gas tank full; stock your vehicle with emergency supplies and a change of clothes
