Dear Beach Haven Property Owner,

This letter provides instructions for obtaining a Long Beach Island Re-Entry Placard (window hanger) for property owners in the Borough of Beach Haven proper. If there is an emergency in which the Island is evacuated, this placard will allow you to re-enter once the area is deemed safe. It is recommended that the placard be kept in the glove box of the primary vehicle you would use to return.

Please note the following important information:

- Only one (1) placard will be issued per property owner or manager, regardless of the number of properties owned.
- Placards are color-coded to allow entrance to specific areas only. You will only be allowed access to the area corresponding to your placard.
- Placards are tied to a specific address and are intended to remain with the property.
- Upon sale or transfer of ownership, placards must be surrendered back to the Borough of Beach Haven either in person or by certified mail within 7 business days.
- Pre-registration is available online, at the Borough of Beach Haven, or through the QR code at the bottom of this letter.
- Placards may be picked up in person at the Beach Haven Police Department. Hours of operation are Monday through Friday, 9:00 AM to 4:00 PM.
- Property/business owners must assess and secure only their own property.
- Only vehicles displaying an official re-entry placard will be allowed access.
- Placards are valid for five years; replacements may be obtained through the municipality.
- A replacement fee of \$50.00 applies, and valid ID plus a tax bill or lease is required.
- No placards will be issued within 72 hours of an expected storm.
- Permanent renters may show a valid lease for eligibility; seasonal renters are not eligible.
- Property managers must present written proof of authorization to collect a placard on behalf of the owner.

Further information on the re-entry plan can be found at:
