January 22, 2021

For Immediate Release

Individuals who received their first dose of the Moderna COVID-19 vaccine from LBIHD , can expect to receive their second dose through that same location. You will be contacted by our office in advance of your second dose date, to be scheduled for an appointment.

For those who received their first doses on 1/6, 1/7 & 1/8 clinics, the second dose will be scheduled on February 5<sup>th</sup>, 2021 at the Surf City Volunteer Fire Hall.

For those who received their first doses on 1/11 & 1/14 clinics, the second dose will be scheduled on February 11<sup>th</sup>, 2021 at the Surf City Volunteer Fire Hall.

For those who received their first doses on 1/15, the second dose will be scheduled for February 16<sup>th</sup>, 2021 at the Surf City Volunteer Fire Hall.

For those who received their first dose on 1/20, the second dose will be scheduled for February 19<sup>th</sup>, 2021 at the Surf City Volunteer Fire Hall.

Please ensure you have an appointment, fill out another registration form, that can be found at <http://lbihealth.com/covid-19/> and also bring your Covid-19 Vaccination Record Card.
