PUBLIC NOTICE

BOROUGH OF BEACH HAVEN

Public notice is hereby given that Tucker's Real Estate, LLC (the “Applicant”) has applied to the Land Use Board of the Borough of Beach Haven, Ocean County, New Jersey for amended site plan and variance approval relative to proposed development on the property designated as Lots 4 and 5 in Block 129 on the Tax Map of the Borough of Beach Haven, located at 101 S. West Avenue. The property is currently developed with a bar/restaurant, with a second-story single-family dwelling unit. The Applicant is seeking approval to permit an outdoor dining area, approximately 16 feet by 56 feet in area, along the easterly side of the existing building, adjacent to Lot 3. There are currently 7 parking spaces along the easterly side of the building, which are proposed to be removed. The Applicant is proposing a 12-foot planted buffer along the easterly property line adjacent to Lot 3, and a 9-foot planted buffer for a portion of the southerly property boundary adjacent to Lots 12.01 and 11. The following variances are requested:

1. Pursuant to Section 212-15.1(B), the bar/restaurant use is a permitted conditional use in the RCB Multifamily/Bay District. However, one of the conditions required is that a minimum planted buffer of 20 feet shall be maintained between such use and adjoining residential uses. The site lacks the required buffer and, therefore, a variance is required.

2. Section 212-27(B)(3): Maximum permitted impervious coverage is 75%. The existing impervious coverage is 94.9% and the proposed impervious coverage is 90.3%.

3. This property is split-zoned. The entire existing and proposed structure are located within the RCB Multifamily/Bay District. The parking lot is located within the RB Two-Family Residential District. The bar/restaurant use is permitted in the RCB
Zone as a conditional use. However, the existing and proposed parking lot use in the RB Zone is not a permitted use in the RB Zone. To the extent a special reasons variance is required for the parking lot, such variance is requested.

If the Board determines that any additional variances, waivers or exceptions are necessary or appropriate, then such variances, waivers, or exceptions will be requested at the hearing.

A public hearing has been scheduled for July 5, 2022 at 6:00 p.m., at which time any interested persons may appear and have an opportunity to be heard on this application. As a result of the COVID-19 pandemic, the meeting will be conducted remotely via Zoom. To access the virtual hearing, you must join the Zoom meeting. 12. Section(s) of Ordinance from which a variance is requested:

Pursuant to Section 212-15.1(B), the bar/restaurant use is a permitted conditional use in the RCB Multifamily/Bay District. However, one of the conditions required is that a minimum planted buffer of 20 feet shall be maintained between such use and adjoining residential uses. The site lacks the required buffer and, therefore, a variance is required.

Section 212-27(B)(3): Maximum permitted impervious coverage is 75%. The existing impervious coverage is 94.9%; 90.3% is proposed.

This property is split-zoned. The entire existing and proposed structure are located within the RCB Multifamily/Bay District. The parking lot is located within the RB Two-Family Residential District. The bar/restaurant use is permitted in the RCB Zone as a conditional use. However, the existing and proposed parking lot use in the RB Zone is not a permitted use in the RB Zone. To the extent a special reason variance is required for the parking lot, such variance is requested.

13. Waivers Requested of development Standards and/or Submission Requirements: (attach additional pages as needed)

A waiver from normal site plan detail is requested because the site is fully developed.

The publication and the service on the affected owners must be accomplished at least 10 days prior to the date scheduled by the Administrative Officer for the hearing.

15. An Affidavit of Service on all property owners and a Proof of Publications must be filed before the Application will be complete and the hearing can proceed.

Explain in detail the exact nature of the Application and the changes to be made at the premises, including the proposed use of the premises: (Attach pages as needed)

The property is currently developed with a bar/restaurant, with a second-story single-family dwelling unit. The Applicant is seeking approval to permit an outdoor dining area, approximately 16 feet by 56 feet in area, along the easterly side of the existing building, adjacent to Lot 3. There are currently 7 parking
spaces along the easterly side of the building, which are proposed to be removed. The Applicant is proposing a 12-foot planted buffer along the easterly property line adjacent to Lot 3, and a 9-foot planted buffer for a portion of the southerly property boundary adjacent to Lots 12.01 and 11.

BOROUGH OF BEACH HAVEN
PLANNING BOARD

NUMBER:_________________________ DATE OF ADOPTION: 12/3/91

WHEREAS, application having been made by ASH HAVEN, INC. to the Planning Board of the Borough of Beach Haven, Ocean County, New Jersey, for preliminary and final minor site plan approval, so as to permit, construction of additions and renovations to the existing bar and restaurant known as the Port O’Call, which is located in the M.C. MARINE Commercial Zone, located at 1107 West Avenue, Beach Haven, New Jersey and listed on Block 129, Lots 4, 5, 6, 7, 8, 9 and 10 of the Tax map of the Borough of Beach Haven, New Jersey.

WHEREAS, the Board has granted a waiver from Site Plan Detail because the site is fully developed.

WHEREAS, the Engineer to the Board, Frank J. Little, Jr., P.E., P.P. of Owen, Little & Associates having reviewed the applicant’s plans prepared by, Nelke/Deneke dated 10/06/86 along with architectural by John Whitten Davis, AIA dated 09/16/91, prepared and submitted, a factual report to the Board dated 09/30/91. The Board having considered the Applicant’s Plans and the Engineer’s report, made the following findings of fact:

1. The proposed construction is within the M.C. Marine Commercial Zone. The existing structure and lot will require VARIANCES from the following:

   A. Off-Street Loading Zone - Ordinance 119-13G requires three (3), whereas applicant has only provided one (1).

   B. Buffer - Ordinance 119-13E (5) requires a minimum of ten (10) feet to be provided along any common property line with a residential use or district. The applicant has not provided the ten (10) feet of buffer.
WHEREAS, the President of Ash Haven, Inc. Mr. John Frango testified, as well as, applicant’s expert Mr. John Whitten Davis.

WHEREAS, the Board having considered the testimony of all the witnesses and neighbors and having reviewed all plans and materials submitted, finds:

The premises is located in the M.C. Marine Commercial Zone.

The Applicant needs a variance from Loading Zone and Buffer requirements.

WHEREAS, the Board having made the aforementioned findings of fact and applying these findings of fact, in light of all the evidence submitted, to the applicable law, finds as follows:

That the renovations and additions would be an enhancement to the overall zoning scheme of the Borough and;

The renovations and additions proposed would not substantially impair the intent and purpose of the zone plan;

The relief can be granted without substantial detriment to the public good;

The benefits of the deviations substantially outweigh any detriment to the community.

NOW, THEREFORE BE IT RESOLVED BY THE PLANNING BOARD OF THE BOROUGH OF BEACH HAVEN, OCEAN COUNTY, STATE OF NEW JERSEY, AS FOLLOWS:

WHEREAS, the application of ASH HAVEN, INC. to the Planning Board of the Borough of Beach Haven, Ocean County, New Jersey, for preliminary and final minor site plan approval, so as to permit, construction of additions and renovations to the existing bar and restaurant known as the Port O'Call, which is located in the M.C. MARINE Commercial Zone, located at 1107 West Avenue, Beach Haven, New Jersey and listed on Block 129, Lots 4, 5, 6, 7, 8, 9 and 10 of the Tax map of the Borough of Beach Haven, New Jersey, is hereby approved and the necessary variances as set forth in paragraph (1), subparagraphs A, and B of this Resolution are hereby granted, subject to the following conditions:

The applicants and/or owners shall maintain the sidewalk and curb that presently exist along Engleside Avenue and West Avenue,
if same becomes deteriorated it shall be removed and replaced by applicants and/or owners at their expense, pursuant to Borough standards.

If the applicants and/or owners decide to erect a sign, same shall be in compliance with Zoning Ordinance 119-15 of the Borough of Beach Haven.

The applicants, owners or their agents or assigns shall erect and maintain fencing in lieu of the required buffer.

The applicants, owners, their agents or assigns shall comply with all Federal, State and County, building and fire codes.

The applicants, owners, their agents or assigns shall comply with the Code of the Borough of Beach Haven.

The only variances that have been granted are specifically enumerated in Paragraph (1) subparagraphs A and B.

Applicant must obtain the appropriate liquor license modifications from the Governing Body of the Borough of Beach Haven.

1. All jurisdictional requirements have been met.
2. The property is owned by applicant and currently is fully developed as a restaurant and bar; the property has two (2) parking lots; and a ten (10) room apartment on the second story predominantly used to house employees.
3. The property is located in the RCB and RB Zone, the uses permitted within the Marine Commercial Zone are permitted; however the existing restaurant bar use is permitted as a conditional use. The site is completely
developed; and has for been used for a bar restaurant use for at least fifty (50) years lease past.

4. The property was substantially renovated and enlarged in 1991 when approved for site plan and variances were granted; which permitted the installation of a six (6) foot fence along the easterly property line in lieu of a ten (10) foot buffer, which then was required. That variance was granted to enable applicant to maintain parking spaces to the east of the building.

5. Applicant currently proposes to create a second story open deck for drink and appetizer service. There are not any changes proposed to the building footprint or bulk conditions. The existing impervious coverage is 95.43% and will not be affected by the development.

6. The Board adopts the contents of the January 30, 2018 letter from Frank J. Little, Jr. entered into evidence as Exhibit B-1, as if set forth herein at length.

7. The buffer requirements under current ordinances impose a twenty (20) foot landscaped buffer. Applicant is seeking variance relief to permit the retention of the six (6') foot fence. The proposed development is located on the opposite side of the building, and notwithstanding the lack of a buffer, there will not be any impact upon the easterly side of the building.

8. The stairs as proposed will be accommodated as a result of the shifting of the existing curbing approximately 5.5 feet to the south; whereupon the stairs will not impose upon the drive aisle and create an unsafe condition.

9. The additional 78 people to be accommodated by the proposed addition will not create a nonconforming parking situation.

10. The deck will be shielded from the roof mounted utilities and apartment. Applicant proposes to install a tempered glass rail system. Applicant initially indicated that the lighting will comport with Borough Ordinances; and the railing height shall not exceed 42 inches. The upstairs porch will remain open without any roof covering.

11. Applicant further offered testimony that there will not be any live music on the deck; all noise to be shielded from residential properties and
applicant will conform to all Borough ordinances. The only coverage anticipated will be table and stand umbrellas.

12. The deck will accommodate 78 patrons. The architect testified that all proposed circulation will conform to safety and fire codes.

13. The Board is aware that there are residential developments to the North of the project on Engleside Avenue; and there are residential developments to the west across from West Avenue on the Bay.

14. Applicant initially proposed hours of operation of the new deck area from noon until closing.

15. Testimony from Susan Vogel and Christine Little, reflected that on Thursday through Sunday during the season there is entertainment at the establishment, whereupon at closing there is noise intrusion upon their properties; they also testified that the dumpsters are used for loading recyclables at 2:00 A.M. Thomas Lynch testified that at closing there is excessive noise as people depart the establishment.

16. In response to the public comment, applicant has requested permission to raise the glass railings to 48 inches in an attempt to reduce noise. Applicant has further agreed to limit the hours of operation for the second floor deck system from noon until 10:00 PM except on Friday and Saturday when the hours of operation will be from noon until 11:00 PM. All exterior lighting at the deck shall be extinguished at the aforementioned closing time.

17. Applicant further agreed to replace the fences at the property, in accordance with instructions from the Board engineer. They also will not have trash and recycling hauling in the evening or early morning hours, to avoid infringing upon the neighbors peace and good order; and

WHEREAS, the Land Use Board of the Borough of Beach Haven has determined that the relief requested by the applicant, Tucker’s Real Estate, LLC for site plan and variance approval to permit the construction of a second floor deck partially over the existing structure together with a new structure over the outside first floor dining area;
containing 2,040 square feet on the westerly side of the building facing the bay, for
drinks and appetizers; together with an access stairway located on the southerly side of
the building adjacent to the curb cut access, as reflected on the plans at premises known
and designated as Lots 4-10, Block 129 commonly referenced as Lot 5 Block 129; 101 S.
West Avenue known as Tucker’s Tavern, in the Borough of Beach Haven, County of
Ocean and State of New Jersey can be granted without substantial detriment to the public
good and without impairing the intent and purposes of the zone plan and zoning
ordinances of the Borough of Beach Haven, the site is suitable for the use, as a restaurant
tavern use has existed at the site for more than fifty (50) years; in 1991 the property was
granted site plan and variance relief to construct the building as it currently exits; and the
use is compatible to the area. The proposed deck will not have any impact upon the lack
of a buffer on the easterly side of the building; parking at that area is more advantageous
than maintaining the buffer; the facility has provided landscaping and fencing for many
years which appear to suffice; in lieu of the required buffer. The decking will be
constructed within Borough height requirements; it shall remain open and uncovered, and
not encroach on the light or air of adjoining properties. The concerns of the neighbors
have been addressed by the applicant; the deck will maintain limited hours which will not
extend to closing; applicant will not be using additional lighting past 10 PM during the
weekdays and past 11PM on Fridays and Sundays. Applicant has represented that the
trash and recycling storage and removal will be adjusted not to interfere with the
neighbors during early morning or late evening hours. The congestion at closing will be
policed, notwithstanding the restaurant use has existed for many years, and there is a
certain amount of noise that will occur; the new deck will not impact that condition.

NOW, THEREFORE, BE IT RESOLVED by the Land Use Board of the
Borough of Beach Haven that the application of Tucker’s Real Estate, LLC for site plan
and variance approval to permit the construction of a second floor deck partially over the
existing structure together with a new structure over the outside first floor dining area;
containing 2,040 square feet on the westerly side of the building facing the bay, for
drinks and appetizers; together with an access stairway located on the southerly side of
the building adjacent to the curb cut access, as reflected on the plans at premises known
and designated as Lots 4-10 Block 129 commonly referenced as Lot 5 Block 129; 101 S. West Avenue known as Tucker's Tavern, in the Borough of Beach Haven, County of Ocean and State of New Jersey, be and hereby is, conditionally approved.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon Applicant's compliance with all terms and conditions of the letter of the Board Engineer, Frank J. Little, Jr., P.E., P.P., and C.M.E., dated January 30, 2018, as entered into evidence as Exhibit B-1.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon applicants submitting amended plans providing for a tempered glass rail height of 48 inches; applicant shall also replace all interior and exterior fences at the property; the plans will reflect the fence replacements and be subject to approval of the Board engineer.

BE IT FURTHER RESOLVED that this approval shall be limited to the following hours of operation, 12:00 Noon to 10:00PM every day but Friday and Saturday when the hours shall be expanded from 12:00 Noon to 11:00PM; at 10:00 PM and 11:00 PM respectively; all patrons shall be removed from the deck; all lights shall also be extinguished at the elevated deck. Applicant shall also discontinue handling exterior trash and recycling during the early morning or evening hours to avoid noise pollution upon the adjoining residential properties.

BE IT FURTHER RESOLVED that there shall not be any live music performance upon the new decks; and all noise levels shall conform to Borough code requirements; the use of the upper decks shall be limited to drinks and appetizers, there shall not be dining without further consent of the Board. The deck will not be covered, and shall remain open; the only coverings may be table umbrellas.

BE IT FURTHER RESOLVED that this approval permits the continuance of the preexisting nonconforming 95.43% impervious coverage, variance relief is granted;
and further approves the variance from the 20 foot buffer on the easterly side of the site, and the continuation of the fence as a satisfactory separation.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon all construction at the property conforming to FEMA requirements and all building, fire and safety Codes.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon Applicant obtaining all requisite permits and Applicant complying with all Federal, State and Local rules regulations and statutes and ordinances effecting this development.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon applicant obtaining all outside agency approvals from all agencies having jurisdiction over this development, including, but not limited to, Ocean County Planning Board. Applicant shall also obtain all approvals as may be required from the Borough of Beach Haven and the New Jersey Alcohol Beverage Commission.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon Applicant’s payment of all taxes and all other applicable assessments, and Applicant satisfying all fees and escrow fees as may be required. Applicant shall also pay and post all inspection fees, performance guarantees and maintenance bonds as may be required, in amounts established by the Borough Engineer, and in such form as required by the Borough Solicitor.

BE IT FURTHER RESOLVED that the Applicant is required to comply with all ordinances of the Borough of Beach Haven, and failure to specify compliance herein shall not be deemed a waiver or recommendation by the Land Use Board with respect to Borough Ordinances, including the Zoning Ordinances.

BE IT FURTHER RESOLVED that this approval is subject to all terms and conditions as set forth herein and all representations applicants’ witnesses placed on the
record at the public hearing conducted on February 5, 2018 when this matter was considered.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon applicants complying with any and all technical revisions and submissions as the Borough Engineer may require.

BE IT FURTHER RESOLVED that this approval is subject to and conditioned upon Applicant satisfying all Land Use Development fees as set forth in Chapter 102, Section 102-5 et seq. of the Code of the Borough of Beach Haven.
